

## Register / Index

All persons are listed by their maiden name and spouses and partners are marked with \*.

Since some family members have both a Christian name and a nickname or name change, both names will appear in the register.

Please observe that the list contains birth names and not married names or necessarily name changes.

I, II and III indicates the family number. The letters A-J indicates the generation and the number indicates the number in the children flock. Start looking for which family I, II or III you belong to. Then follow the thread A.B.C.D....
